BEAR'S TALE

published by
students of

editor's note

Dear Students,

Another year in our high school life has come and gone. It is traditionally the purpose of the Bear's Tale to serve as a permanent collection of words and pictures that will remind students of these years at Gladewater High School. As you glance through the pages we hope that you will recall many of the happy hours spent here. The emphasis is on you, the student - your school and your campus activities. It is the wish of the 1957 Bear's Tale staff that you find in this book many fond memories.

A Message from the Board of Education:

The Gladewater Schools have had a successful year. We are proud of the achievements of each class, and particularly do we congratulate the graduating class for a job well done.

Your Board of Education is charged with the responsibility to make policies which, when carried out by the Superintendent and his administrative staff, will provide the best possible schools for Gladewater. The active assistance of the parents and the students is needed. With your help we can continue to achieve even greater success in the years to come.

Supt. Dana Williams is shown with the plaque he received from the faculty.

TSTA NEEDS DANA

This year Gladewater achieved another milestone when its Superintendent, Dana Williams was elected President of the Texas State Teachers Association by the greatest majority of votes in the history of the organization.

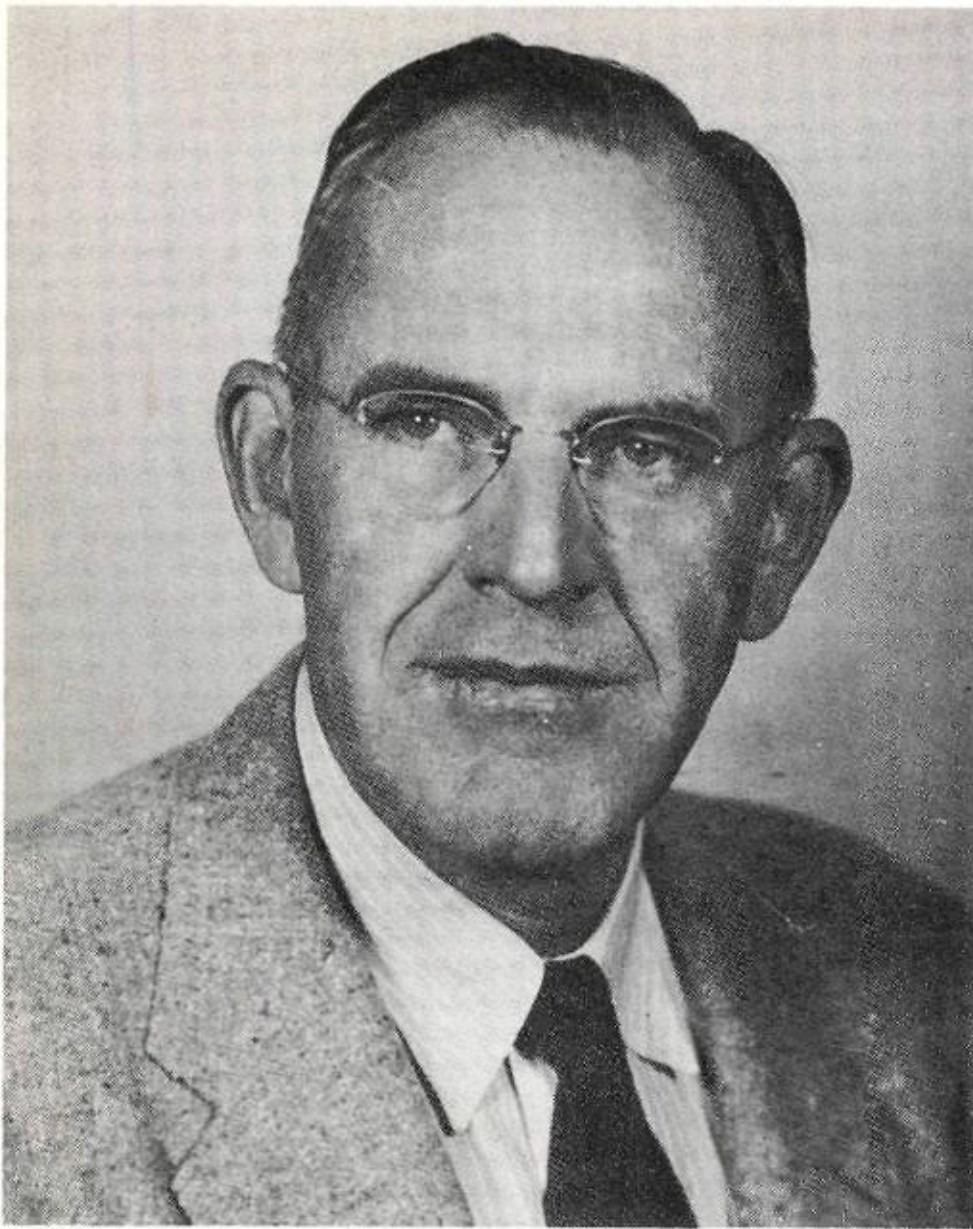

The Gladewater School system, the Citizens of Gladewater, the School Faculty and Board of Education as well as the family of Dana Williams shared in this event when they honored Mr. Williams with a recognition dinner in the High School cafeteria on the night of December 13. With over 300 guests in attendance the affair was certainly one of the outstanding affairs of recent Gladewater history. A plaque was awarded to him for his high achievements in the field of education.

As the year progresses, it becomes apparent that Mr. Williams' year as President of the Texas State Teachers Association will be one of great personal sacrifice, dedication, and service as he fulfills his pledge of better schools for Texas Children.

Supt. Williams talks over problems with School Board Pres. Jack Hearrell.

The Gladewater High School is made up of six hundred and ninety-six students this year. These students are very active in school activities such as the Band, Choir, Strings, and the Sports program.

Each year the Junior Class sponsors the Halloween Carnival to raise money for the Junior and Senior Banquet. Each class elects a candidate to run for queen. The candidate whose class raises the most money wins.

This year a basketball queen was elected from candidates chosen from each class. The class having the largest number of students attending the first three home district ball games won the contest and their candidate was crowned queen.

These are just a few of the many activities the students can take part in and work together. We are proud of our school and enjoy the associations we have with our friends and teachers. We are happy that we are part of G.H.S.

The Senior Class of 1956-57, with its eighty-nine students, is the smallest class in G.H.S. Of these students, thirty-eight are girls and fifty-one are boys. Forty-one of these seniors have been together since the first grade and sixty-eight have been together since the seventh grade.

These students are very responsive to the extra-curricular activities, as well as our studious departments. They are highly active in the band, choir, and strings, while a large number of our boys are in the sports program.

As Sophomores and Juniors, this unified group sponsored a very successful Christmas Social and Junior-Senior Banquet.

As this group departs from the hill June 1, G.H.S. will long remember their success in high school.

Good luck, Seniors!

Class History

"We are modern and up to date, Senior Class of '58!"

This is the familiar cry of the Junior Class consisting of 97 students. Besides having a large number participating in choir, this class is active in band, strings, homemaking, and agriculture departments.

Because of the aggressiveness and unity of this class, they have achieved many outstanding honors. The year 1953-54 proved to be a successful one as their candidate was crowned queen of the Halloween Carnival. This was the first time a Junior High Class had ever won this race. During this same year they raised more money than any other class for the Red Cross Drive. In 1955-56 they planned and sponsored a very entertaining Christmas Social. The Juniors sponsored the 1956-57 Halloween

Class History

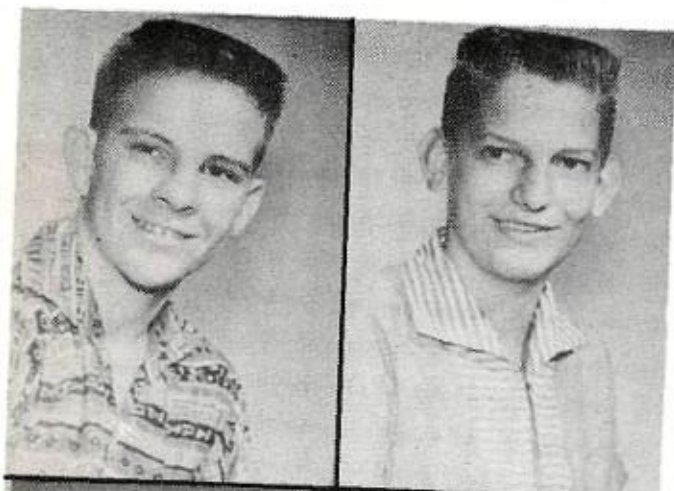

The Senior Class of nineteen fifty-nine, which is the Sophomore Class this year is composed of one-hundred and twelve energetic and fun-lovin students. Of these students forty-eight are girls and sixty-one are boys.

Many students make up the Senior High Choir while others have done a fine job in the band and strings.

Since over half of the students are boys, many showed great ability and sportsmanship on the Rambler teams. The Ramblers have had a fine sports program this year.

The tenth grade gave a successful Christmas social which everyone enjoyed. As this class is filled to the brim with imagination, intelligence, and talent, it is surely a credit to our school and should go far in the future.

Class History

With one hundred and ten members, the Freshman Class is among the largest classes in G.H.S. This energetic group has over half its members participating in sports, choral, strings, art, and band. The boys outnumber the girls 66 to 44. Many of the boys on the Cub teams were ninth grade students. The class works together well and responds to all extra-curricular activities. This class is indeed a credit to our school.

Class History

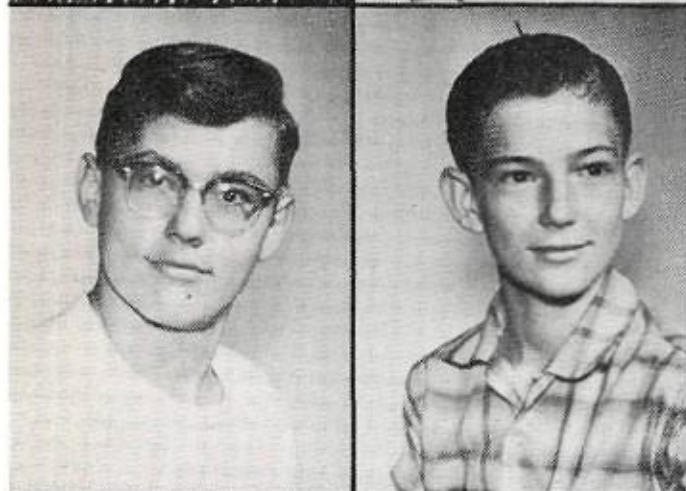

The Eighth Grade Class entered Gladewater Junior-Senior High School in September 1955. This class is one of the largest in G.H.S. with one hundred and twenty-four members.

The Eighth Grade has many outstanding students in their class in many different activities which are carried on in our school. These students participate in such activities as band, choir, strings, and the sports program. We are glad to have the Eighth Grade Class as a part of our school.

Class History

The 137 students enrolled in the Seventh Grade are new to the Gladewater Jr.-Sr. High School. We know very little of this class, but know they will show themselves worthy of G.H.S. They have proved during this first year that they intend to work together in all activities.

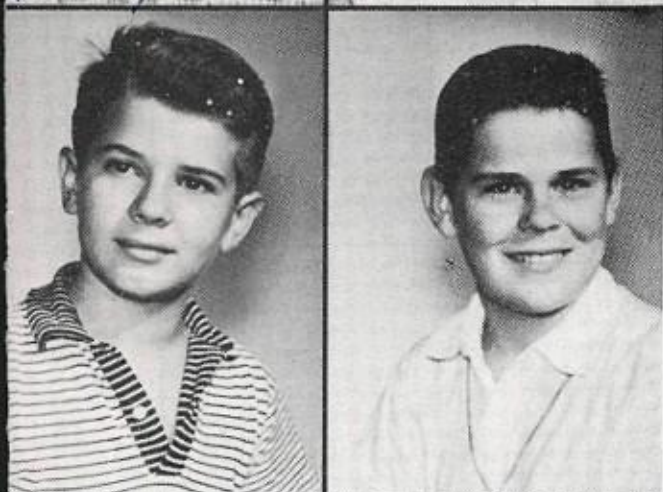

This class, being the largest in school, has sixty-seven boys and seventy girls. There are a number of seventh grade students in the choir, the band, and the strings. The boys of the seventh grade are taking an active part in the sports program.

We feel sure that the seventh grade will be a credit to G.H.S.

These seventh grade students are busy taking the Kuder Preference test in the cafeteria.

A successful year in sports was the "Watch-word" in Bearland when speaking of the 1956-57 year.

The Bears had a season record in football of six wins and four losses. The student body and citizenship gave the Bears terrific backing during the season. Highlighting the "Pep Rallies" was when the High School was presented the Gregg County All-Sport Award for achievement during the school year 1955-56. When the All-District football selections were made the Bears had Simon Vernon, Tommy Minter and F.D. Audas on the first team.

Second place was attained by the Bears in the basketball district standing behind Nacogdoches, who participated in the State Meet. The Bear round-ball team had a record of eight wins and four losses in district play. Center Oliver Sorrells made the All-District Team.

With Tommy Minter and Simon Vernon leading the way, a very successful track season was enjoyed by the Bears. They won the Rose Relays, Gladewater Relays, District Meet, and Regional Meet with Claude Eddy, Jim Atkinson, Simon Vernon and Tommy Minter qualifying for State Meet.

The Bears were successful in the baseball season, with no returning lettermen, and only two squadsmen. The ambitious baseball prospects answered the call of duty and soon were playing a good grade of baseball. One of the highlights of the season was when the Bears defeated the favored Henderson Lions, 1 to 0, behind the two hit pitching of Phillip Dickinson.

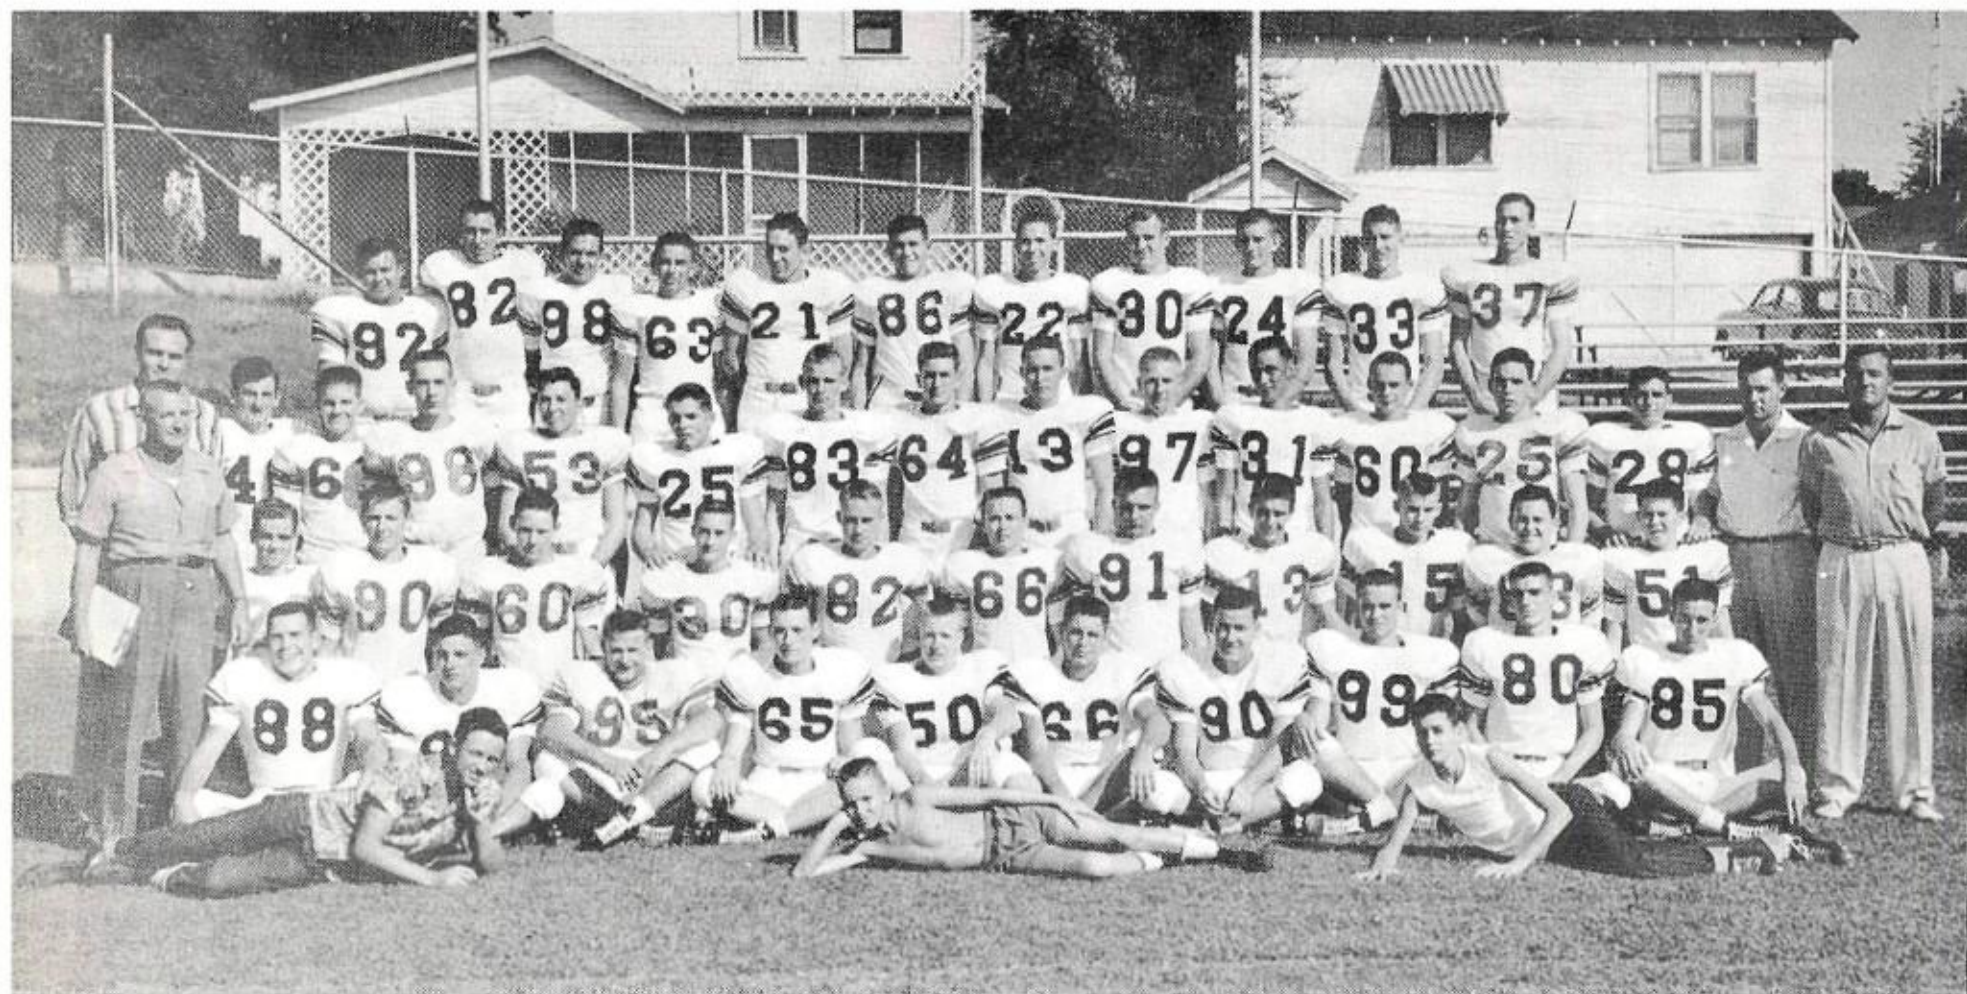

Things looked bright for the future with the Junior High Cubs tying for the District Championship in football and basketball and also placing third in track.

A large group of Junior High Students were out for tennis, exploiting enthusiasm and energy to become future stars of the courts. The highlight of the spring tennis was 2nd place in boys doubles by Claude Dailey and David Best, and a 2nd place in girls singles by Gerald Deane Tippitt.

bear cheerleaders

The aim of the cheerleaders is to arouse school spirit, help to encourage attendance to the games by all students, and to back the teams at every game.

The Bear cheerleaders are elected at the end of the school year. Three places are left by the graduating seniors. Students fill these positions by electing a girl representing the 9th, 10th, and 11th grades.

The Rambler cheerleaders are elected by the Rambler football team. These six girls fill this position throughout their sophomore year.

The Cub cheerleaders are elected at the beginning of each school year by the Junior High Student Body. Three girls are elected to represent the freshman class, two from the eighth, and one from the seventh.

Congratulations to all of these girls for the fine job they did this year.

The members of Los Conquistadores (The Conquerors), whose roll is confined to Spanish II students, meet twice monthly to enjoy Spanish diversion and to further their knowledge of the Spanish language and the people who speak it.

Among items they enjoy during their sessions are Spanish bingo, vocabulary, building games, Mexican and Spanish songs, and skits and talks.

The highlight of their fun during the year is a Mexican supper in Shreveport, where they crown the King and Queen of the Spanish Department and then attend a movie. Their special guests on this occasion are Spanish I students.

The history of the Gladewater High School Band has been quite outstanding. The band has made a first at marching contest for the past nineteen consecutive years.

The band has participated in a number of national parades. Some of the places they attended are Denver, Colorado; New Mexico; New York; Miami, Florida. The band placed in all of the activities.

The first week of school this year the band played at the professional football game between the Chicago Bears and the New York Giants. As the players from each team entered the field from the ramp, the band played a cord of introduction and a fanfare.

As a result of winning first at Texas Band Day last year, the band marched during the half time of the Texas-Arkansas football game at Austin.

The band went to Memphis, Tennessee, this year and participated in the activities of the Cotton Carnival.

The Bear Facts, GHS bi-weekly, allows Bearland journalism students an opportunity to see their newspaper writing and photography works in print. Preparing this offset publication for their classmates' enjoyment, BF staffers engage in numerous activities that will equip some of them to become small-town journalists on graduation from high school.

Each will undertake some news story, feature, and editorial writing, some headlining, and some proofreading. A number will learn to take pictures and process film. Some will learn to justify copy (type copy so that the right-hand margins are even) and do practical newspaper make-up.

Top editors on the staff attend 2 three-day press conventions each year. The latter are sponsored by the Texas High School Press Association (in Denton) and the Texas Interscholastic League Press Conference (in Austin).

The Bear Facts usually wins top honor ratings in contests by these two organizations as well as in competitions held by the National Scholastic Press Association and the Columbia Scholastic Press Association.

Individual writing and photographic entries of BF-ers also regularly win honors in THSPA and ILPC contests.

Editor Patsy Ables, left, and First Associate Joy Lewis justify copy on electric typewriters before rubber cementing it on past-up boards.

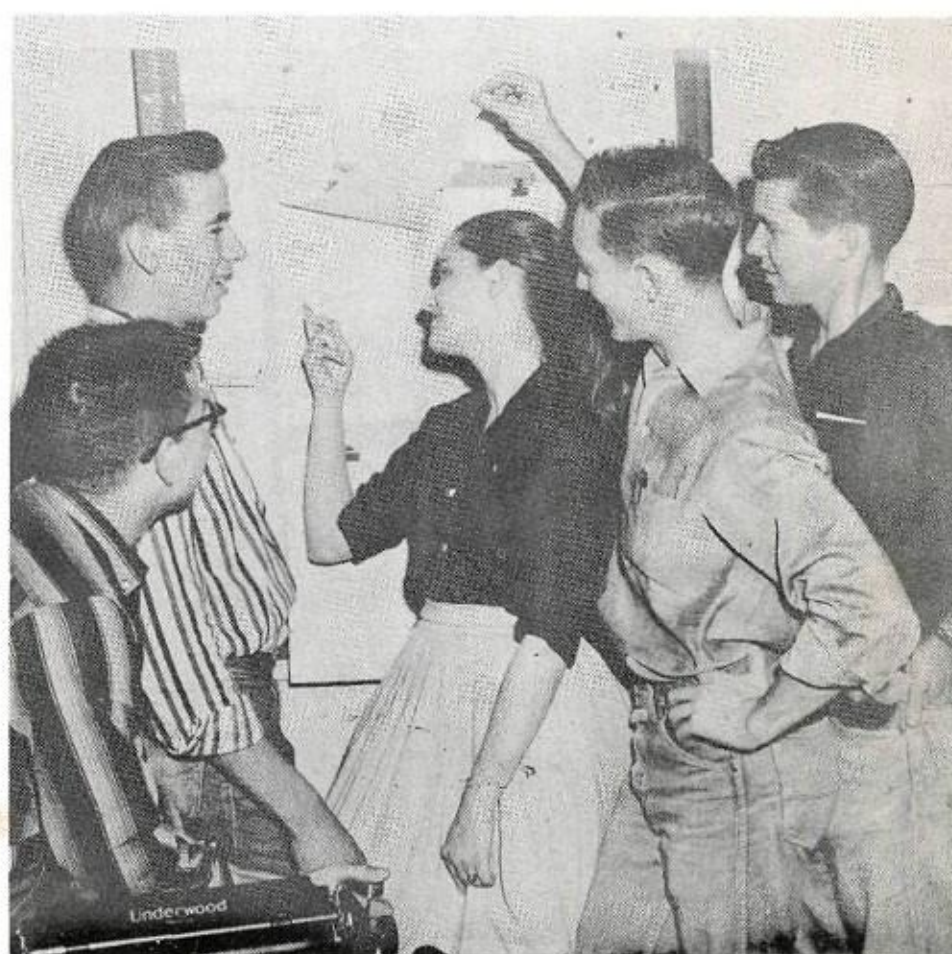

Page editors of the BF are making up pages for their next issue. From left to right are Joy Lewis, first associate editor; Patsy Ables, editor-in-chief; Geneva Bowles, second associate editor; and Joan Crawford, managing editor.

The members of the third-hour journalism class work toward meeting another deadline. From left to right, on the first row, are Zeda Willoughby, Ben Money, Mary Bland, and Sue Ann Brannen. Second row: Geneva Havens, Gail Thompson, Raymond Harrell, and Dempsey Charles. Third row: Mr. C. W. Dawson (sponsor), Sylvia Dade, and Geneva Bowles.

Making plans for a forthcoming issue are Mr. C.W. Dawson, BF sponsor; Joy Lewis, First associate editor; Melton Ezzell, third associate; and Patsy Ables, editor-in-chief.

Looking at a pressroom bulletin board for assignments are five members of the fifth-hour journalism class. From left to right, they are Melton Ezzell, Marvin Hartley, Madelyn Holloway, Joe David Nixon, and James Thompson.
